

Vanessa Musick, MBA

Director of Public Relations and Marketing
3:16 Healthcare
Carrollton, Georgia

Vanessa Musick is a Georgia native and graduate of Emory University and the University of West Georgia, with 12 years of experience in healthcare. After joining 3:16 Healthcare in Carrollton, Georgia, Vanessa transitioned into a community engagement and advocacy role, where she works to strengthen relationships throughout the community and advocate for the mission of the 3:16 Foundation and Be the Light Medical Missions. Her healthcare experience, combined with her personable and relationship-driven approach, has allowed her to bring together two of her greatest passions: healthcare and community service. Vanessa is passionate about creating meaningful partnerships, connecting organizations and people to resources, and finding ways to make a lasting impact in the communities she serves.
