

Jonathan Bolduc, MSc, CAIA, CFA

Analyst, Multi-Asset Class Solutions
Fiera Capital
Montréal, Québec

Jonathan Bolduc is a member of the Multi-Asset Class Solutions team at Fiera Capital, where he contributes to developing personalized strategic allocation solutions for institutional and private wealth clients. Prior to joining Fiera, he worked as a financial risk management consultant at a global professional services and advisory firm, and as an equity research analyst at a leading Canadian financial institution. Jonathan holds the CFA and CAIA designations, along with a master's degree in finance from HEC Montréal.
