

Lee Centrone
Senior Vice President
BeneSys
Portland, Oregon

Lee Centrone is a senior vice president at BeneSys. She has been a trust administrator for over 20 years working with trust funds of all sizes from many industries. Prior to becoming a third-party administrator, Centrone spent four years as a Naval Special Operations officer, specializing in deep-sea diving. She was only one of a handful of women in the country at the time to earn this distinction. Centrone is a frequent speaker at trustee and professional education conferences. She has served on the International Foundation Administrators, Benefit Communications, and Educational Programs Committees. Centrone is an officer on the board of Health Bridges International, a nonprofit organization committed to improving public health by creating medical and social service partnerships between health care workers and organizations in the United States and those in developing nations. She has a bachelor of science degree in business administration from Pepperdine University.
