

Carl Dussault, M.Sc., CFA

Founder and Chief Executive Officer
Evovest
Montréal, Québec

Carl Dussault is the founder and chief executive officer of Evovest, an asset management firm he launched in 2017 that uses artificial intelligence and machine learning to optimize investment decisions. Prior to Evovest, he managed portfolios at Intact and began his career as an investment advisor at the Bank of Montréal. Carl earned his bachelor's and master's degrees in finance from HEC Montréal, focusing his research on quantitative portfolio management and became a CFA charterholder in 2015. He is highly active in the local financial and tech communities. Carl serves on the Investment Committee for Mila (the Québec AI Institute) and is a committee member for the provincial financial regulator, the AMF. As a dedicated mentor, he has also spent over 11 years on the board of HEC Montréal's student investment fund (FPHEC).
