

Lewis Ensley

Chief Legal Officer
Standard Drywall, Inc.
Lakeside, California

Lewis Ensley serves as the Chief Legal Officer of Standard Drywall, Inc. and its affiliated companies. With more than 30 years of experience in the construction industry, as a construction contract litigator, construction superintendent, CFO, and in-house legal counsel, Lewis brings a practical, pragmatic and collaborative approach to his practice. With extensive executive leadership experience within his family's small electrical contracting business, midsize and large subcontractors, and as a regional legal VP of an international general contractor, Lewis has unique perspective and experience of all aspects of the construction industry, from project pursuits through to project closeout and dispute resolution. Lewis resides in San Diego with his wife of 25 years (Jamie) and they share 4 children.
