

Benoit Gervais, MSc, CFA

Managing Director, Lead Portfolio Manager
Mackenzie Investments
Toronto, Ontario

Benoit Gervais is Managing Director, Lead Portfolio Manager and Head of the Mackenzie Resource Team. After completing a master's degree at the Colorado School of Mines, he was hired by Mackenzie Investments in 2001 to join the resources team as an analyst. Since then, Benoit has never left the team. He is only the second portfolio manager to lead Mackenzie's resource investments since 1980, making him the longest-serving portfolio manager of a resource fund in Canada.
