

Nathan Hiler

Nashville GM and Vice President of Field Operations
Valley Interior Systems
Nashville, Tennessee

Nate Hiler began his career as an apprentice with Local 735 in Ohio. Over a decade, he learned the trade, rising into field leadership with specialty subcontractor Valley Interior Systems. In 2015, Nate helped establish new markets for Valley in Lexington, Kentucky and Nashville, Tennessee as VP of Field Operations, later adding the title of GM of Nashville.

Along the way, Nate has led large-scale projects, including Omni Hotel Louisville, Redstone FBI Operations Building, multiple data centers and aviation builds. As Vice President of Field Operations for Southern Markets, Nate is a critical part of the team that manages Valley's workforce of 1700+ craftsmen. With over 20 years of experience in field leadership—from operational performance to contractor relations and training—Nate is known for bringing passion and excellence. He is an expert in Labor Retention and has been a panelist on the topic at the 2025 CISCA Summit and the United Brotherhood of Carpenters (UBC) International Training Center. Nate sits on the Local Apprenticeship Board and the Southern District Training Trust.
