

Jimmy Holton

**Health Consultant
Foster & Foster Consulting Actuaries, Inc.
Naperville, Illinois**

Jimmy joined Foster & Foster in July 2022. His experience in the health care/pharmaceutical industry spans over five years, and he has spent another six years working on the management side of Taft-Hartley data analytics. He has worked in the actuarial space since 2019, working for a large health insurance company and as a consultant with Foster & Foster. Jimmy has worked on several different reporting tools, along with creating custom data analytic trackers for a multitude of data needs. He adds high energy and a knack for spotting trends to the Foster & Foster team. Jimmy has a long history of data analytics spanning over a decade long career which started as a financial accountant. Jimmy obtained his bachelor of science of business administration degree with a concentration in marketing and finance from the State University of New York at Albany.
