

Benjamin (Ben) Lee
Senior Principal, Timberland
Fiera Comox Partners
Vancouver, British Columbia

Ben Lee is senior principal on the Timberland team at Fiera Comox Partners. Fiera Comox is a global private asset manager with US\$3.3B+ in assets under management and 60 investments across seven countries. He leads the sourcing, due diligence and execution of new investment opportunities for the timberland portfolio and is actively involved in asset management and providing strategic oversight for portfolio companies. Ben has broad executive experience in the timberland and resource development industry. He was most recently senior vice president, corporate development and general counsel for Mosaic Forest Management ("Mosaic"), Canada's leading timberland manager with 585,000 hectares (1.45 million acres) of privately owned forest, where he was an executive for nine years and led the pursuit of strategic growth opportunities for Mosaic (including M&A and non-timber opportunities) while overseeing the legal and governance functions. Ben played a leading role in the 2018 multibillion transaction that brought together Island Timberlands and TimberWest to create Mosaic. He also played an integral part of the development, launch and marketing of the largest nature-based carbon credit project in Canada. Prior to that, he spent over four years at Goldcorp Inc. (TSX/NYSE) and over five years in the M&A/Securities Law Group of Fasken LLP, a Canadian national law firm.
