

Stephanie Peterson, FSA, CERA, MAAA

**Consulting Actuary
Milliman
New York, New York**

Stephanie Peterson is a principal and consulting health actuary in the Milliman East & West Health & Group Benefits Practice. As a credentialed actuary, she is responsible for actuarial reports and analysis for medical, pharmacy, dental, life, disability, paid time off and other ancillary plans. Stephanie brings 25+ years of experience in both the employer-based HR sphere and in consulting clients on HR strategy and day-to-day benefits operations. She has worked with many client industries from retail, hotel, manufacturing, oil and gas to nonprofit and higher education. She excels at matching benefits strategy to client-specific needs and has extensive experience in consulting with clients on employee benefit issues. Previously, she had nearly ten years of actuarial experience in the insurance industry working in areas such as asset/liability management, financial reporting and product development. She holds a B.S. degree in biology/chemistry/mathematics from the College of St. Mary, is a fellow of the Society of Actuaries, is a chartered enterprise risk analyst and is a member of the American Academy of Actuaries.
