

Christy Piti, R.Ph.

**Chief Executive Officer
Sav-Rx Prescription Services
Fremont, Nebraska**

Christy Piti is chief executive officer of Sav-Rx Prescription Services, a medication benefit management company focused on lowest net cost medication management, concierge service and positive patient outcomes. The Sav-Rx mission is to eliminate middlemen, increase transparency and provide the most affordable pharmacy benefit for unions and plan sponsors nationwide. Piti started her journey with Sav-Rx in 1995 as a clinical pharmacist and advanced through the company, serving in a variety of executive roles before promotion to CEO in 2012. She is a respected industry disruptor, a reputable innovator of clinical strategies, a cutting-edge inventor of medication management programs and a passionate advocate for self-funded plans. Her knowledge of retail, mail order and specialty pharmacy operations, network development and individual patient care powers her consultative alliance, which is known and respected among peers, employees and industry professionals. "Real world" pharmacy knowledge is important to Piti and vital to her successful leadership. She maintains active pharmacist licenses in twenty-two states. Piti graduated from the University of Arizona, College of Pharmacy and worked as a retail pharmacist prior to joining Sav-Rx.
