

Harriet Redman M.S. Ed

Co-chair, Caregiver Financial and Workplace Security Task Group
Wisconsin Family and Caregiver Support Alliance
Appleton, Wisconsin

Harriet Redman M.S. Ed. is Founder and retired Executive Director of WisconSibs, Inc, the first state-wide non-profit organization dedicated to the lifespan interests of siblings of people with disabilities. She earned her B.S. degree from Valparaiso University and her M.S.Ed from Purdue University.

Redman developed family education programs for a Fortune 500 company and later became a marketing director for the same company. When her son was born with a rare chromosomal disorder, she turned her program development and marketing skills to the lifespan needs and interests of siblings of people with disabilities and founded WisconSibs. She and her husband are full-time caregivers of their 34-year-old son.

In 2017, Harriet along with several professionals from throughout Wisconsin established the Wisconsin Family and Caregiving Support Alliance. She co-chairs the Financial and Workplace Security task group.

She has been awarded recognition for her work from several organizations, including the ***WI Governor's Committee for People with Disabilities***, the ***Insight on Business Women of Influence Award*** and the ***Don Meyer Sibling Support Award*** for innovative program development and advocacy.
