

Marc Williams, CFA, FCIA, FIA

**Principal, Portfolio Manager
Leith Wheeler Investment Counsel Ltd.
Vancouver, British Columbia**

Marc Williams is a Principal, Institutional Portfolio Manager at Leith Wheeler. He has over 25 years of experience in the pension and investment industry spanning Canada and the United Kingdom. Marc was an actuary and investment consultant at a global consulting firm for 17 years and then a few years at an alternative asset manager before joining Leith Wheeler in 2015. His clients have included corporate, public and union pension/health and welfare plans as well as endowments/foundations and First Nations funds. His work has included investment manager searches, education sessions, asset/liability risk studies, SIPP drafting and review, portfolio management and actuarial valuations. Marc has been a regular speaker at a variety of industry events, including for the International Foundation. He is a CFA® Charterholder, a fellow of the Institute and Faculty of Actuaries (UK), and a fellow of the Canadian Institute of Actuaries (FCIA).
